

Graphic Design

With years of experience let Reactive Designs work with you in graphic development. Utilizing Industry standard tools such as Adobe Photoshop CS3 or Adobe Flash CS3 Professional, Reactive Designs can design graphics for print or for the web.

Logo development:

Photo editing and enhancement:

Icon creation for image associated with URL:

We can create an eye-catching banner for your business or a image gallery. Here are a few examples:

Flash Image Gallery - Skills Canada [www.skillscanadasask.com] - database driven gallery which can be easily updated.

Flash Banner - Sandbeck Construction [www.sandbeckconstruction.ca] - this banner rotates on a daily basis.

Splash Introduction - Richards Beauty College & Esthetics [www.rbcollge.net]

Flash Image Gallery - Richards Beauty College & Esthetics [www.rbcollge.net]

Graphic create for print - Richards Beauty College & Esthetics [www.rbcollge.net]

Newsletter - STI - SIAST Architectural Alumni - [www.archalumni.sk.ca]
